Meet the Lemstra Family

They say "change is inevitable" and JCC is not immune to that. After 20 years the Kruse's decided to transition the winery/vineyard to some long family friends. That's where we come in, we're The Lemstras. (John, Shelly, Kelsey, Brandon, Travis & Blake) We're honored to be apart of the JCC Family and we look forward to some exciting things happening in the vineyard and tasting room all the while still maintaining the quality and standards of Jack Creek Cellars. Don't Worry, we're starting the JCC Advisory Team and Doug and Sabrina are our founding members. We look forward to meeting you all. Cheers, The Lemstra Family!
